Speaker Profile

Mater Esra Koyuncu is THE leading Feng Shui expert that inculcate Feng Shui practices in Turkey and the region. A trained Feng Shui consultant, lecturer and writer under the guidance of Grand Master Raymond Lo (Hong Kong), she is also the official organizer for the Raymond Lo's School of Feng Shui and Destiny.

Master Esra Koyuncu is a pioneer in Turkey for many firsts - author of "The Compass Within", the first ever Feng Shui book written in Turkish, and first Turkish feng shui practitioner to be awarded the title of "Master" by International Feng Shui Association (IFSA) in 2015. Her articles, TV shows, workshops have played a vital role in the introduction, appreciation and wide scale adoption of Feng Shui in Turkey today. Through her courses and teachings she brings awareness on the importance of living space and ensures that the classic and correct knowledge is shared in the communities.

In addition to her courses, Master Esra Koyuncu is also a highly sought-after feng shui consultant for both individuals and corporations, earning great reputation amongst leading, global award-winning architects. She has worked on over 1000 projects worldwide, with clients of more than 20 years mostly. What is distinct about Master Esra's holistic approach is her ability to integrate the sensitivity of human centric design with the wisdom and accuracy/knowledge of Feng shui, putting human needs at the very core of her design and living recommendations.

Master Esra Koyuncu is now known as the "Feng Shui Queen" of Turkey, she has her heart set on becoming an equally renowned global name as she continues to expand her horizons internationally.
