

Master Goh Guan Leong

Way Fengshui Group, Singapore

Having great interest in Chinese Metaphysics, Master Goh endeavours to delve deeper into this mystical field of study so in 2003, he sought guidance from his mentor, Master Chew, enabling him to realise his potential in Chinese Metaphysics.

In 2005, Master Goh joined Way OnNet (now known as Way Feng Shui Group) as a Life Analysis Master and with personal coaching from Grand Master Tan Khoo Yong, his knowledge in Bazi and fengshui ascended to a whole new level.

Master Goh constantly seeks to enhance his skills, allowing him to provide a wide spectrum of services such as fengshui (residential & commercial), career mapping and destiny analysis. He is also an accomplished writer who has published several books. His works include "Essentials of Four Pillars of Destiny", a book highly recommended for those interested in Bazi Life Analysis. His latest prominent works are "The Key to An Ideal Name" and "Is Your Marriage Predestined?"

Beyond these, Master Goh's talks at the International Fengshui Convention (IFSC) since 2005 further affirmed his role as a proficient public speaker and role model.
