Master

AYUKA • AKATSUKIHA

Alchemist 32, JAPAN

Since childhood, Master Ayuka • Akatsukiha had had the feeling that her views and thinking were different from others. Through her experiences in a Buddhist kindergarten and serving as a Miko in shrines near her hometown, she became interested in the metaphysical world.

When attending college in Japan and the USA, Master Ayuka • Akatsukiha learned about Christianity and graduated from The East China Normal University English Department. She realized then that destiny and luck of an individual were pre-determined when they were born, and this realization inspired her to research into esoteric Buddhism, Japanese numerology Kazudama, Tarot, I Ching, and astrology.

Master Ayuka • Akatsukiha is now a follower of Grand Master Raymond Lo. Together, they have toured across Asia and Europe to promote the global cultivation, awareness and appreciation of Feng Shui.
